

Week commencing 9 March

- from 9 to 13 March (8am-6pm) we'll be carrying out signage installation works under rolling multi-way traffic lights from Kingston Russell Dips to Monkey Jump roundabout. This stretch will be completed in stages.
- from 9 to 13 March (8am-6pm) we'll be carrying out civil improvement works under two-way traffic signals at Morcombelake.
- from 9 to 13 March (8pm-6am) we'll be carrying out speed camera installation under three-way traffic lights in Winterbourne Abbas.

In addition to the safety scheme activity, we will also be carrying out essential ash-dieback removal works to protect road users and reduce future disruption:

- From 9 to 13 March (8pm-6am) a full overnight closure will be in place in both directions from the A35 at Axminster to Crown roundabout at Bridport. Traffic will be diverted via the A358 to Chard, the A30 to Crewkerne, the A356 to Misterton, and the A3066 through Beaminster to rejoin the A35 at East Road roundabout (and vice versa westbound). Local access will be maintained via Crown roundabout, Bridport.
- On 9 and 10 March (8pm-6am) two-way traffic lights will be in place at Taunton Cross junction.
