

LITTON CHENEY PARISH COUNCIL GRANTS AND DONATIONS POLICY

INTRODUCTION

Litton Cheney Parish Council will include in its annual budget money for local grants and donations. Through its Grants and Donations policy the Council aims to support causes which it considers beneficial to the Parish, to promote local activity, and support clubs and organisations and individuals. The Council aims to ensure the award making activity is open, transparent and fair.

Any grants and donations made available for such purposes are funded directly from the Parish Precept. A grant is for a specific purpose, a donation can be used as seen fit by the recipient.

Section 137 of the Local Government Act 1972 places restrictions on Parish Councils when it comes to making grants to other organisations or bodies.

The maximum amount which a council may spend under Section 137 in any one year (i.e. from 1 April to the following 31 March) is restricted by the number of people on the parish electoral roll. The figure for 2018/2019 is £7.86 per person, giving a maximum of £2,200 available for 2018/2019. However the Parish Council has historically made grants and donations of under £1,000 per year and does not anticipate any increase in this figure, particularly given the financial constraints faced by the Council.
