PRINCE OF WALES & PORTESHAM
SURGERIES

New staff update

In July we welcomed several new faces to our ever-growing team.

Sarah Mcnulty joins us as the Site Operations Manager at the Dorchester branch.

Emily Sanders is our new practice nurse, working predominantly at Dorchester but you may see her around at Portesham too.

Julie Strange and Yasemin Guler both join our Patient Services Team.

Insect bites/stings

Did you know you can get treatment for infected insect bites via the Pharmacy First service? Pharmacy First services can provide prescription only NHS treatment for seven common conditions, including infected insect bites. You can just pop along to your nearest pharmacy, and you don't need an appointment.

For more information search NHS Pharmacy First.
